## UPCOMING CLASS

### HEALTHIER CHOICES, HEALTHIER YOU

This class is designed to equip participants with the tools to manage the symptoms that stem from any on-going health condition. Learn skills that help manage pain, fatigue, sleeplessness, stress and much more. Each session of this 6 week series, empowers you with tools that can put you back in control of your health.

### WHO THIS IS FOR

This class is designed for individuals and caregivers who are managing an on-going health condition such as but not limited to arthritis, diabetes, anxiety, hypertension, COPD, physical limitations, vision or hearing loss.

### WALK AWAY WITH TOOLS FOR:

- Symptom management
- Better sleep
- Appropriate exercise for the individual
- Dealing with the blues and stress
- Thriving vs. getting by
- And much more
