

LexiCon Safety Guidelines

Bladed weapons must be

- not sharp

Projectile firing weapons must be either

- obviously non-functional (doesn't shoot anything) or
- not harmful (just shoots Nerf) and unloaded

No real guns, Airsoft, BB, blow guns, Paintball guns, etc. allowed in!

No live ammunition is allowed in the library.

Costume destructive devices must be (grenades, etc)

- obviously not real
- obviously not functional

Nothing explosive is allowed in the library.

Arrows must

- have any sharp tips removed
- be bound together or into quiver

Remember—Library staff have the last word on this. If we are not comfortable with a weapon, if we can't tell if it is real or if it might pose a danger, you will be asked to leave it in your car.
